- A deposit of £50 minimum or 10% of the total booking amount is required within 14 days of making a provisional booking to secure your reservation.
- If the deposit is not received within this time frame, the booking may be released and made available to other groups.

### 2. Full Balance Payment:

- The full balance of the booking, must be settled no later than 3 working days before the date of play.
- At this time, all catering options and menu choices must also be finalized so our chef can make the necessary arrangements. At this point please inform the pro shop if catering is to be served at a set time for all guests or whether guests will be dining separately after they have completed their round of golf.

### 3. Golf Buggy Payment:

- Any golf buggies required by the society must be paid for at the time of the final payment, 3 working days before the date of play.

### 4. Cancellations and Refunds:

- Full refunds will only be issued if the golf course is closed on the day of play due to unforeseen circumstances.
- Cancellations or significant changes to the booking must be made at least 7 working days before the date of play. Failure to do so may result in the forfeiture of the deposit.

### 5. Arrival and Check-In:

- Please ensure that your group arrives at the club at least 30 minutes prior to your tee time to facilitate check-in and any necessary preparations. If catering for each tee time has been selected please inform pro shop of the groupings and meal choices to be served as guests finish their round.
